

NOCTURNAL TOUR

**Bookings Essential
Don't miss out!**

Koalas | Tammar Wallabies | Kangaroos | Bats | Echidnas | Possums*

Take a fully guided 90 minute walk with one of our experienced tour guides in and around our fenced, feral-free area. Discover and learn about the nocturnal animals of Kangaroo Island in their natural habitat and environment. View Koalas, Tammar Wallabies, Kangaroos, Echidnas, Bats and Possums. Take in the spectacular view of the Great Southern Skies on this fun and educational tour. Our guided nocturnal walk is a must for all international guests!

* Please note these animals are wild and we cannot guarantee that all animals listed will be seen on every tour

7 days a week by reservation only | Fee Applies
